Education

MSc in Zoology

Rajiv Gandhi University [Itanagar, Arunachal Pradesh]

Percentage: 68.9% / 7.29 CGPA

BSc (Hon. In Zoology)

Gauhati University (Darrang College) [Tezpur, Assam]

Percentage: 79% / 7.9 CGPA

12th Grade

Tyagbir Hem Baruah College (AHSEC) [Jamugurihat, Assam]

Percentage: 82.5%

10th Grade

Rangachakua HS School (SEBA) [Jamugurihat, Assam]

Percentage: 74.87%

Professional Experience

Assistant Professor (Tutor)

Gauhati University / Tyagbir Hem Baruah College, [Jamugurihat, Assam]

May 2022 - Oct 2022 (6 months)

- Conducted lectures, guided students, and contributed to academic initiatives.

Research Trainee

RASA Life Sciences, [Pune, Maharashtra]

Mar 2021 - Oct 2021 (8 months)

- Engaged in research activities, data analysis, and collaborated with a multidisciplinary team.

Certificates

NE SLET

CSIR NET JRF (AIR: 180)

IELTS (7/9)

Online Certifications

Genomic Data Science- John Hopkins University (6 moth specialisation, Coursera)

Cloud computing basics - Coursera

Epidemiology: The basic science of public health - University of North Carolina at Chapel Hill

Bacterial genome: Accessing and analysing microbial genome Dat - FutureLearn

Skills

Languages: Assamese, Bangla, English, Hindi, Nepali

Programming: Python (Basic Programming language), Data Analysis using python Packages_(Pandas, Matplotlib)

Projects

BSc Project, Darrang College, Tezpur.

Physico-Chemical property analysis of River Water and deter Biodiversity Index

- Collected water samples of River bohimora from its source, course and mouth which flows through the Sonitpur District of Assam.
 - Rigorous zoological survey and their habitat assessment throughout the River bohimora and the its mouth where it meets Bhoroli a tributary of Brahmaputra.
 - The research contains references from high-end research literature in Geoinformatics and water assessment study
- Outcome: Rapid loss of biodiversity toward its source are seen and river water livability in contamination can be observed which is due to illegal stone quarry.

MSc Project, Rajiv Gandhi University, Itangar.

Lepidopteran Silk Worm. 3 membered Team.

- Reviewed the literature related to All Wild and domestic silk worms
- With Special emphasis on the North-east Indian Silk worms mined the literature
- Searched for related wild species of Muga (The golden silk worm) that is endemic to Assam state with an anthropo-zoological perspective
- Role: Involvement in majority of the phases of literature mining and Ground zero survey throughout the state of Assam. Experience included 2 months of field visit and survey.

Tea Research Association (TRA Tocklai)

Isolation, identification and synthesis of pheromones of major looper pest of tea **Hyposidra talaca** Walker for the development of pheromone based management strategy
